

## Sources for Outreach to Potential Faculty Candidates

### Outreach Efforts to Veterans

To enhance your outreach efforts to veterans, consider advertising your open faculty positions in some of the following sources.

- New England HERC  
***Harvard faculty postings on ARIES are automatically posted to the New England HERC and central HERC websites.*** HERC participates in outreach efforts, including conference attendance and job fairs, with organizations focused on veterans. Some veterans organizations, including those listed below, also provide discounts to HERC members (Harvard is a member and the host institution for the New England HERC). The full list of organizations that provide discounts can be found on the HERC website.

A comprehensive list of diversity-related organizations and resources can also be found on the HERC website.
