Sources for Outreach to Potential Faculty Candidates

Directories of Potential Candidates for Faculty Positions

Below are some of the most popular directories and organizations that search committee members might consider in identifying potential and diverse candidates for faculty positions.

- Committee on Institutional Cooperation (CIC) Doctoral Directory. The CIC Doctoral Directory is a listing of doctoral degree recipients who are members of groups underrepresented in higher education and who are alumni of the universities of the Committee on Institutional Cooperation. [http://www.cic.net/students/doctoral-directory/introduction](http://www.cic.net/students/doctoral-directory/introduction)

- National Science Foundation Graduate Research Fellowships Program [http://www.nsfgrfp.org/](http://www.nsfgrfp.org/)

- Preparing Future Faculty Institutions (run by the Council of Graduate Schools, these programs promote diversity and inclusiveness in graduate education.) [http://www.cgsnet.org/inclusiveness](http://www.cgsnet.org/inclusiveness)
• Schlumberger Foundation Faculty for the Future (a GE Foundation initiative designed to increase the number of women and URM faculty in engineering, science, and business.)
